

CHAD UNDERKOFFLER'S CREDITS [8/1/2018]

NOTES: As Chief Editor for ATIS < <http://www.atis.org/index.asp> >, I touched every standard from late 2000/early 2001 until December 2013 (a thousand or more documents). I also did freelance technical editing for ASIS < <https://www.asisonline.org/Pages/default.aspx> >.

My (primarily tabletop game-focused) Wikipedia entry appears at: https://en.wikipedia.org/wiki/Chad_Underkoffler >.
